To Whom it May Concern:

In 2014 Argos Purchased the Vulcan Materials Newberry, FL Cement Plant, Tampa Terminal and Grinding Facility and Ready Mix Plants and trucks.

Florida Super Stucco is now Argos Super Stucco.

All of the former Vulcan Cements for Masonry produced at the Newberry, FL Cement Plant, Tampa Terminal and Grinding Facility are now Argos Cements for Masonry. Specifications for these masonry cements and blended masonry cements, and bagged cements will be supplied by Argos.

A handwritten signature in black ink that reads "Bill Kjorlien". The signature is written in a cursive, slightly slanted style.

Bill Kjorlien  
Masonry Technical Service Manager
